Revised forms

1. ACORD 67 FL (2020/08)
**FLORIDA HOMEOWNERS NOTICE – AVAILABILITY OF LAW & ORDINANCE AND
SELECTION/REJECTION OF LAW AND ORDINANCE COVERAGE**

ACORD 67 FL, was designed for compliance with Florida law (Florida Statute 627.7011) which requires that all applicants for Homeowners insurance be advised of the availability of Law and Ordinance coverages. The law also requires that insurance companies must obtain a written statement from the applicant, selecting or rejecting these coverages. In addition, insurers must provide each current Homeowners policyholder with notice of availability of these coverages, and must also obtain written selection or rejection statement from policyholders. Insured must be advised of this information every three years.

It is recommended that this form be treated as a new form.

This form has been filed and approved by Florida.

2. ACORD 90 VT (2020/08)
VERMONT AUTO APPLICATION

Vermont's Department of Financial Regulation issued Bulletin 212 addressing auto insurance rating of military personnel upon their return to Vermont. Vermont considers it an act of unfair discrimination for an insurer to charge a higher premium or to deny coverage to an individual who has cancelled or suspended their auto insurance coverage during a military deployment or overseas assignment ordered by the United States Armed Forces, United States Armed Forces Reserve, or the National Guard. When a question on an application for auto insurance coverage results in an affirmative response from an applicant identifying a lapse in coverage, the insurer must further inquire as to whether such lapse was due to a military deployment or overseas assignment.
