### Revised Form

This is a revised form, eliminating language on the form concerning Uninsured Motorists Property Damage Coverage. Recent legislation required applicants to be advised of the availability of uninsured motor vehicle property damage coverage, the premium therefor, and be provided a brief description of the coverage with the first renewal subsequent to January 1, 2023.

ACORD revised ACORD 61 IL so that it can be used just for the Uninsured/Underinsured motorists bodily injury offering.

ACORD 64 IL (2023/01) provides the new notice and offer required for uninsured motorists property damage coverage.

Please note the following changes to the form:

1. New ACORD logo.
2. Change AGENCY to PRODUCER
3. Create new paragraph after “coverage” in the top first sentence of the form.
4. Delete UNINSURED MOTORISTS PROPERTY DAMAGE COVERAGE in its entirety.
5. Form edition changed to 2023/01 and new copyright date 2022, instead of 2015.

This form has been filed and approved. Consult the legislation (Public Act 102-775 (215 ILCS 5/143a) and Bulletin (2022-08) for more information.

ILLINOIS AUTO SUPPLEMENT  
UNINSURED MOTORISTS PROPERTY DAMAGE COVERAGE NOTICE  
AND ELECTION**

### New Form

As detailed above, ACORD 64 IL (2023/01) provides the new notice and offer required for uninsured motorists property damage coverage. Under Public Act 102-0775, uninsured motor vehicle property damage coverage offerings were revised as outlined under 215 ILCS 5/143a.

All companies are expected to comply with changes to 215 ILCS 5/143a no later than January 1, 2023.

The statute provides “Each insurance company providing motor vehicle property damage liability insurance shall advise applicants of the

availability of uninsured motor vehicle property damage coverage, the premium therefor, and provide a brief description of the coverage.” Because of changes in coverage availability as well as potential changes in coverage options, the notice identified under 215 ILCS 5/143a(2) should be reissued with the first renewal subsequent to January 1, 2023.

This form has been approved and filed. Consult the legislation and Bulletin (2022-08) for more information.

**13. ACORD 863 LA (2023/01)**  
**NOTICE OF HOMEOWNER'S INSURANCE POLICY DEDUCTIBLE**  
*New Form*

This form is prescribed pursuant to LA. R.S. 22:1337 (D). Pursuant to Act 331 of the 2022 Regular Session (“Act 331”), the Louisiana Legislature enacted La. R.S. 22:1337(D), which becomes effective on January 1, 2023.

La. R.S. 22:1337(D) requires that the Commissioner prescribe a separate form to provide notice to insureds of the applicable named storm, hurricane, and wind and hail deductible under their homeowners’ insurance policy. The Notice of Homeowners’ Insurance Policy Deductible (the “form”) shall specify the amount of each deductible as either a specific dollar amount or a percentage of the total insured value of the property.

The insurer is to provide the form to the insured for informational purposes only, and it shall not affect any of the terms and conditions of the policy. The authorized property and casualty insurer or surplus lines insurer (“insurer”) shall provide the form to the insured and request that it be signed by the named insured or his legal representative. However, there is no obligation on the part of the named insured or his legal representative to sign the form.

No new form is required at any subsequent renewal, reinstatement, substitution or amendment of the underlying homeowners’ insurance policy as long as the underlying homeowners’ insurance policy is issued by the same insurer or any of its affiliates to the same named insured. A new form shall be provided to the insured if the insurer changes the percentage or the specific dollar amount of any named storm, hurricane, or wind and hail deductible. If the underlying homeowners’ insurance policy is purchased using electronic means or if the insured has elected to receive policy documents electronically, the insurer is authorized to

transmit the form to the insured electronically and provide a method whereby the insured or his legal representative may sign the form electronically.

This form has been filed and approved. Consult the statute for more information.

**UPDATES:**

**Because of several regulatory changes, we are adding this section to our Form Notifications so that our membership can be advised of certain matters.**

As we have previously advised, California passed legislation that had an impact to California insurance applications and ACORD forms. We anticipate making additional changes to the ACORD California and state-specific forms to be compliant with any changes and interpretations to Section 1871.2 of the Insurance Code and expect form changes to be made shortly. We are watching California Senate Bill 1242 and will monitor for impacts.

**New Jersey:**

The minimum limits for liability and underinsured motorist coverage has increased and it has impacted ACORD 64 NJ. The form is being worked on here at ACORD and if membership has input concerning the impact the limits or offers, particularly the Combined Single Limits, please reach out so that we can consider this in any revision. The changes are effective January 1, 2023. Refer to 2022 NJ SB 481 for more information.
