California passed legislation that had an impact to California insurance applications. (SB 1511).

Section 1871.2 of the Insurance Code was amended to read:

(a) An insurer who, in connection with any insurance application, contract, or provision of contract described in Section 108, prints, reproduces, or furnishes a form to any person upon which that person applies for a policy, seeks to make a change to an existing policy, or gives notice of a claim to the insurer or makes a claim against the insurer by reason of accident, injury, death, or other noticed or claimed loss, or on a rider attached to the form, shall cause to be printed or displayed in comparative prominence with other content the statement: "Any person who knowingly presents false or fraudulent information to obtain or amend insurance coverage or to make a claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison." This statement shall be preceded by the words: "For your protection California law requires the following to appear on this form" or other explanatory words of similar meaning.

ACORD retained local counsel to ensure compliance for membership. The California Department of Insurance is reviewing ACORD's questions. Department has advised that the Department will issue **no** enforcement violations nor require any corrective action plans while we work through the issues and questions. The Department will ensure that companies will be provided adequate time/notice to amend forms before enforcement occurs.

We are continuing to follow this and welcome any questions you may have.
